

Drake

UNIVERSITY

Drake University is recognized as one of the finest institutions of higher learning in the Midwest. A midsized, private university in the great city of Des Moines (ranked #5 best place to live), with a 10:1 student-faculty ration, we offer the benefits and resources of a larger institution along with the advantages of intimate class sizes and close personal relationships. Nearly all our students graduate with at least one internship (many do 3 to 5!), graduate in 4 years, and are employed or in graduate school within 6 months of graduating. Plus, we're test optional!

Scholarship Information:

In addition to generous merit scholarships, international students may also qualify for a renewable International Student Grant as a partial award toward financial need. This grant, however, will not provide full funding. When combined with other scholarships, the total combined aid will generally not exceed 40% of the total cost of attendance. Most international students at Drake can expect an annual cost of attendance of approximately ~\$30k.
