

Moraine Valley is located in Palos Hills, Illinois, and is a fully accredited post- secondary institution, enrolling 18,000 students and over 200 international students from 45 countries. International students enroll in intensive English and two-year associate degree programs for career preparation or for university transfer (A.S., A.A. or A.A.S.).

The university transfer program fully transfers two years of academic credit to universities and allows students to complete their bachelor’s degree. Additionally, Moraine Valley provides an excellent program of support services for international students, to enable positive educational and cultural experiences and help them successfully achieve their goals.
