

# Marietta College

Located in the Midwest portion of the United States, Marietta College is a four-year institution that offers bachelor and master level degrees. Marietta is a contemporary liberal arts college where students receive an in-depth education in multiple disciplines. This prepares our students to thrive in the professional world and in graduate school. Marietta offers more than 50 majors and 30 minors. With our small class sizes, students at Marietta College build strong relationships with their faculty members. From class lectures and lab work to faculty-guided research projects and internships, students learn vital skills in and out of the classroom.
