

The American University in Bulgaria (AUBG) offers high quality U.S. education that is accredited both in the United States and in Bulgaria. The university gathers bright young minds from 35+ countries that study and live together in a world-class residential campus featuring one of the largest English-language libraries in Southeast Europe. AUBG's 13 BA programs and executive MBA program are taught by distinguished faculty members coming from 20 countries. The 2019 national university rankings rated all five evaluated AUBG disciplines at leading positions, with three earning the No. 1 spot. Moreover, AUBG graduates top global success rankings with 99.8% employment rate. AUBG students can study up to 2 Majors and 2 minors while tuition stays the same.

**Other Helpful Information:**

The unique liberal arts educational system at AUBG puts you at the center and gives you countless opportunities for growth and success. With top professors coming from five continents, small class sizes, a practice-oriented curriculum, and a variety of majors and minors, you devise your own curriculum and focus on the things you are most passionate about. Upon graduation, you receive an international diploma accredited in both the U.S. and the EU.

Imagine: [A Vibrant Community]

Life's never boring at AUBG. You can choose from over 30 student clubs and attend an array of events and conferences with international speakers on campus. At AUBG, you live and study on state-of-the-art facilities, including one of the largest English-language libraries in South-East Europe, a gym, a running track, a Mac lab, and a JMC studio. You get to make friends and share experiences with some of the brightest students coming from over 40 countries from near and far.

And for when you want to explore your surroundings, Blagoevgrad offers a number of cafes and restaurants, hiking trails and a historical district, while Sofia is an hour drive away, Greece, North Macedonia and Serbia are just around the corner and most European capitals are on a short flight distance.

Imagine: [Tomorrow]

Upon graduation, you join a united international alumni network that strives to make a difference in the region and the world. Our graduates go on to study at some of the best universities in the world like Harvard, MIT and the London School of Economics, work for companies like Google, BBC and Unicef, or establish their own successful businesses.
