

Hope College is a liberal arts college located in the tourist town of Holland, Michigan, just minutes from the beautiful shore of Lake Michigan.

With 3,000 students, Hope is big enough for you to have a great selection of academic programs, as well as lots of leadership and involvement opportunities. Hope offers over 50 majors with strengths in the Sciences, Engineering, Business, Psychology, and the Performing and Fine Arts. Offering a 12:1 student to faculty ratio, Hope provides you with the opportunity to work closely with faculty, in the classroom, labs, and even in the community.

Hope College is a Christian college that is open to students of all faiths. Students choose from 80 clubs and organization, which offer opportunities for volunteer activities and leadership. Athletics are very strong at Hope College, with competition at the NCAA Division III level, as well as intramural athletic activities throughout the year.

Hope is SAT/ACT optional and offers up to \$25,000 in scholarship to qualified international students. There is no separate application. US citizens may qualify for a variety of academic awards, while possibly qualifying for need-based aid by filing the FAFSA.

Scholarship Information:

All admitted international applicants are considered for the international student scholarship at the time of admission. The scholarship offer is based primarily on academics, but leadership, involvement, and volunteer activities are also considered. Scholarships range up to \$25,000 per year and are renewable for up to four years in total. https://hope.edu/admissions/costs-financial-aid.html

Other Helpful Information:

Hope College is pleased to welcome international students, and US students who have lived abroad, all who come from over 25 countries. Every August, prior to the start of the Fall Semester, a week-long orientation is offered for international and US abroad students. Their parents are also invited to attend during the same week, enjoying sessions designed just for them. Students are encouraged to participate in the Phelps Scholar program during their first year. They benefit from personalized academic and international student advising throughout the year.
