

# MICHIGAN STATE UNIVERSITY

Founded in 1855, Michigan State University is a large public research institution in East Lansing, Michigan. At MSU, students and scholars, athletes and artists, scientists and leaders are united by our purpose to make the world a better place.

Home to more than 200 areas of study through 17 degree-granting colleges, MSU's top-ranked programs and inclusive, collaborative community enable students to create powerful, personalized paths and to compete with the best in the world. Each year, over 600 companies hold more than 15,000 job interviews on campus, with 93% of MSU graduates securing jobs or going on to pursue higher studies.

### Other Helpful Information:

Michigan State is ranked among the top 100 global universities and is a member of the prestigious American Association of Universities. With placement rates 12 points above the national average, our students not only do well in the classroom, but are successful upon graduation. We are located just outside the capital city of Lansing in the State of Michigan, and have a large, beautiful campus. You will find a welcoming community that cares deeply about its international students and offers limitless ways for students to customize their program and experiences at MSU to meet the challenges of today's world.
