Rankings:

The University of California, Irvine has been ranked eighth among the nation's public universities in U.S. News & World Report's 2021 list of "Best Colleges". This is the sixth consecutive year in which UCI has placed in the top 10.

UCI placed 35th among all American universities – public and private – and rose to second in the subcategory of social mobility, which takes into account the graduation rate of students awarded Pell Grants.

The U.S. News report also evaluated certain undergraduate programs. UCI came in 25th in a new category on undergraduate computer science programs, 37th in engineering and leaped six slots from last year to 32nd in business. In addition, it was rated the country's 15th-best college for veterans, 19th for most international students and 42nd for most innovative schools.

Admissions:

Changes to the exam requirement - Freshman applicants for fall 2021-2022 have the option to submit SAT/ACT scores with their application. Applicants will not be penalized in the admission review process if they don't submit SAT/ACT scores. UCs don't require SAT Subject Tests, but certain programs on some campuses recommend them, and you can use subject tests to satisfy the subject requirements.

English proficiency requirement - UCs now accept Duolingo English Test (DET): Minimum score of 115 (Fall 2021 only)
