

California State University, Chico is the second-oldest campus in the 23-member CSU system, the US's largest public university system. It offers high-quality academic programs in an affordable, safe, and beautiful university town in Northern California. Our inspiring natural beauty, friendly campus, and meaningful relationships with faculty and staff drive student success. We offer over 200 different degree options, and over 750 companies visit our campus each year to recruit future employees. Several of our programs proudly claim 100% job placement rates. US News & World Report, Money Magazine and Forbes all agree that CSU, Chico is a top pick among US public schools for educational quality and value.

CSU, Chico's inspiring natural beauty, friendly campus and community, and meaningful relationships with faculty and staff, drive student success. Students partner with faculty, collaborate with staff, and manage student programs to gain hands-on research experience and real-world training, all while building relationships that will last a lifetime.
