Arizona State University

Arizona State University is a new model for American higher education, an unprecedented combination of academic excellence, entrepreneurial energy and broad access. This New American University is a single, unified institution comprising four differentiated campuses positively impacting the economic, social, cultural and environmental health of the communities it serves. Its research is inspired by real world application blurring the boundaries that traditionally separate academic disciplines. ASU serves more than 90,000 students in metropolitan Phoenix, Arizona, the nation's fifth largest city. ASU champions intellectual and cultural diversity, and welcomes students from all fifty states and more than one hundred nations across the globe.

Augustana University is a small, undergraduate-focused university in Sioux Falls, South Dakota -- a thriving, safe city of 200,000+ -- giving students the best of both worlds. The AU campus community is made up of about 2,000 students from 30+ US states and 30+ countries. AU is a welcoming, globally-minded campus that supports and mentors undergraduate students to be the best versions of themselves.

Recent AU graduates have achieved a 98% job placement rate, and 98% of recent graduates had some sort of hands-on learning experience, such as an internship, undergraduate research, study abroad, and more. Further, 94% of recent graduates were admitted into their graduate program of choice. You can be confident in the return on your investment at Augustana. In fact, AU was recently recognized as the #1 Best Small College for Getting a Job in the United States (Zippia.com).

AU offers over 50 majors and over 40 minors, giving students plenty of options to match their interests. Further, AU's liberal arts core curriculum plan gives students the critical thinking, communication, and problem-solving skills to be change-makers in our constantly-changing world.

At AU, we believe in balance. Attending university in the US isn't only about having a high-quality academic experience; it's also about exploring who you are as an individual and meeting people from all over the world who support and challenge you. AU offers over 100 ways to get involved, including student-led clubs and organizations (including clubs that promote cultural exchange and understanding, such as the Augustana International Club, Asian Student Organization, La Unión Hispana, Muslim Student Association, Better Together, Open Minds Club, etc), performing and visual arts, athletics, and so much more.

Lastly, 100% of admitted students are awarded a partial scholarship, making AU an affordable option for international students and their families. AU is the #7 Best Value School in the Midwest, a region of the US known for its low cost of living, safety, and friendly, welcoming people.

Cost Per Academic Year:

Undergraduate:	$34,934	**Graduate:**	Varies by program
Room & Meals:	$8,862	**Summer Session:**	Not Available

Founded in 1887, California State University, Chico is the second-oldest campus in the 23-member CSU system, the US's largest public university system. It offers high-quality academic programs in an affordable, safe, and beautiful university town in Northern California. Our inspiring natural beauty, friendly campus, and meaningful relationships with faculty and staff drive student success.

We offer over 200 different degree options, and over 750 companies visit our campus each year to recruit future employees. Several of our programs proudly claim 100% job placement rates. US News & World Report, Money Magazine and Forbes all agree that CSU, Chico is a top pick among US public schools for educational quality and value.

CSU, Chico's inspiring natural beauty, friendly campus and community, and meaningful relationships with faculty and staff, drive student success. Students partner with faculty, collaborate with staff, and manage student programs to gain hands-on research experience and real-world training, all while building relationships that will last a lifetime.

LinkedIn	https://www.linkedin.com/school/california-state-university-chico/

Scholarship Information:

Each year, a limited number of non-resident tuition fee waivers are available to undergraduate international students (F-1 visa holders) on a competitive basis.

Minimum Eligibility Requirements:
-Only students who are seeking to earn a degree from CSU, Chico may apply. Short-term, non-degree seeking students are not eligible to apply.
-Only admitted or continuing students may apply.
-The minimum qualifying cumulative grade point average (GPA) is 3.3 (or the equivalent).
-In addition to scholastic merit (grades), all applicants must demonstrate financial need.

Duration of Award:
Non-resident tuition fee waivers are granted for one academic year (fall and spring semesters). Recipients are required to maintain an eligible GPA to continue receiving the award in the second semester. Qualified recipients may re-apply each year to continue receiving the award. Since waivers are granted on a competitive basis, a recipient is not guaranteed to receive the award beyond the initial award year.

A Duke Education in China: Just outside of Shanghai, Duke Kunshan University offers students a world-class education culminating in a U.S. degree from Duke University and a China degree from Duke Kunshan University. Students enjoy the benefit of studying on both campuses. Courses are taught in English and are primarily conducted in small-sized, discussion-based classes. Student life is considered as an extension of the academic experience, with various opportunities to explore China and develop cross-cultural competency. Students are empowered to think globally while acting locally as engaged and ethical citizens, preparing them for a life of leadership and service.

Cost Per Academic Year:

Undergraduate:	USD$ 58,085	**Room & Meals:**	(Room) $2,866/ (Board) $2,852/ (Books, supplies, misc.) $3,110/ (Insurance) $1,116

Full-Time Enrollment (Number of Students):

Undergraduate:	1,264	**International Undergraduate:**	376

Application Deadlines:

Other Helpful Information:

El Camino College is located Torrance, progressive city with a population of 133 on the beautiful Pacific coast of Southern California. Its located between Los Angeles and Orange County. With average temperatures ranging from 10°C to 30°C, Torrance also serves as an important tourist destination, offering year-round cultural and recreational activities and inviting sandy beaches along the shoreline.

El Camino College, founded in 1947, offers over ninety associate degree or certificate programs. Many of El Camino 30,000 students take advantage of transfer agreements to complete bachelor's degrees at some of the finest colleges and universities in the United States. Local universities that welcome El Camino students include UCLA, UC Berkeley, USC, Cal State and many others.

Students at El Camino College are a reflection of the rich diversity of the southern California area. More than forty student-run clubs, including an International Student Club, provide a variety of social and service opportunities. The College has championship teams in men's and women's competitive sports such as football, basketball, tennis, gulf, as well as a beach volleyball, swimming, badminton, martial arts, and many other.

The International Student Program staff is eager to assist students throughout their stay at El Camino College. For students who are not able to achieve a satisfactory English proficiency test score or who want to improve their English language skills, the El Camino Language Academy prepares the ESL student to take and pass TOEFL and transfer to the academic program at El Camino. The program is semester long and is offered three times a year. ECC provides students with a variety of housing options; students may choose from an apartment locator service or homestay.

Embry-Riddle Aeronautical University is the world's oldest and largest accredited university that focuses on aviation and aerospace higher education. ERAU has residential campuses in Daytona Beach, Florida and Prescott, Arizona. It also has a campus in Asia, at Singapore. At the Singapore campus, students can access the same quality education that is the hallmark of Embry-Riddle, taught by the same faculty and earn the same Degree certificate. Degree programs are offered at the Bachelors and Masters levels, both full-time, face-to-face and online. Some of our most popular degree programs are Aeronautics, Aviation Business Administration and Engineering. With a 94% placement rate, graduates from our university go on to lead some of the top aviation and aerospace companies all over the world and are visionaries of their fields. We also offer merit-based partial scholarships at all our campuses for all our degree programs.

1.	Business
2.	Nursing
3.	Computer Science
4.	Dental Hygiene
5.	Management
https://www.iusb.edu/academics/index.html	

Scholarship Information:

Indiana University South Bend awards up to twelve first-year scholarships of $2,000.00 each to international students in F-1 and J-1 status who are admitted to a degree program for the Fall Semester before June 15 of that year. Original transcripts must be on file by June 22. Awards will be announced by individual email during the week of July 1. Students deferring to the following Spring Semester will receive a half-award. Selection will be based primarily upon outstanding academic performance within the context of a rigorous program of study. This award is made for the first year of study only and only for those originally applying to enter in the fall semester.

Students who remain academically eligible and document need may apply in their second semester of enrollment at IU South Bend for the International Student Fee Remission Scholarship (see details just below) which grants awards between $4,000.00 and $6,000.00 annually.

Millersville University

Millersville University, located in Pennsylvania, USA is a top choice for international students. We have a strong history of providing world-class academics, and stellar student success and support services. The University is one of the best public universities in our part of the United States and is a destination for many international students seeking a top-rated liberal arts education.

U.S. News and World Report ranks Millersville University on the list of the Top Public Universities in the North again. We're also on Forbes list of America's Top Colleges. Some of our other recent awards and recognitions:

● Carnegie Community Engagement Classification – one of only 243 institutions in the US

● INSIGHT Into Diversity - Higher Education Excellence in Diversity award for 9th year

● Your Local Security – Safest college campus in Pennsylvania, #6 in the U.S.

With an educational heritage that dates back to 1855, today Millersville University appeals to well-rounded, academically talented, and diverse students who will contribute to their community with intellect and innovation. Millersville offers an affordable U.S. educational experience second to none. With more than 100 bachelor's degree programs in the areas of science and mathematics, education and humanities and social sciences, students will find an academic major to suit their interests at Millersville University. Millersville University is accredited by the Middle States Commission on Higher Education (MSCHE), one of six regional accrediting agencies in the United State

Cost Per Academic Year:

Undergraduate:	$22,420 (12-18 credits)	**Graduate:**	$16,990 (18 credits)
ESL:	$9,755	**Room & Meals:**

Other Helpful Information:

Millersville University has over five residence halls that provide an ideal space for our students. Our suite-style housing options with group study rooms and common spaces deepen that all-important interaction among students. If you are interested in living learning communities with other students with shared interests (Women in STEM, Social Advocacy, Creative Writing, and more) we may have exactly what you need. Check out the MU Housing and Residential Programs blog site to learn more about how you will be treated while living on campus.

Along with providing a supportive and welcoming environment for our students, their safety is our utmost priority. The University Police work collaboratively to ensure the safety of students, faculty, staff, parents and the community. One recent award MU has earned is the safest college campus in Pennsylvania, and the 6th safest in the United States.

At Millersville, we BELIEVE IN THE POWER OF WE. When you step foot on our campus you will experience our commitment to our whole community including students, faculty, staff, coaches, advisors and alumni. We know that a full life begins with learning and that hard work leads to great things.

Montana State University is a public university and the largest institution in Montana with more than 16,000 students including more than 300 international students from over 60 countries. MSU is especially known for its top-quality, fully accredited programs. In a class of its own, MSU is among the top 3% of colleges and universities for research expenditures, and is also classified by the Carnegie Foundation as an institution with a high undergraduate profile. This means that undergraduates at MSU get research opportunities typically reserved for graduate students at other institutions. Plus, MSU's location in the safe and friendly college town of Bozeman, sitting just near Yellowstone National Park and some of the most beautiful outdoor scenery in the country, offers students a classroom, laboratory, and playground unlike any other in the world.

Cost Per Academic Year:

English as a 2nd Language on campus:		Yes			

Scholarship Information:

INTERNATIONAL UNDERGRADUATE SCHOLARSHIP - MERIT-BASED SCHOLARSHIP: These awards are based on grade point average only as of April 2, 2021. These awards can be applied only toward MSU tuition and cannot be awarded to students being given Conditional Admission. When an international student submits their application, they are automatically considered for scholarships based on their grade point average from high school or college coursework. Students who are offered full admission to attend MSU with a cumulative GPA of 2.5+ on a 4.0 scale are eligible for consideration. Awards range from $5,000-$12,000 per year. This scholarship can be renewed annually if the student maintains a 3.0 GPA on a 4.0 scale, maintains full-time student status, and attends as a non-resident student.

INTERNATIONAL UNDERGRADUATE SCHOLARSHIP - PRESIDENTIAL SCHOLARSHIP
The Presidential Scholarships are Montana State University's most distinguished academic awards, recognizing scholastic achievement, demonstrated leadership and unique personal qualities. Scholarship recipients receive annual tuition waivers, a generous stipend and other unique incentives for each of four years. Students must be offered full admission to MSU as a first-year student for the Fall semester before you can apply for the Presidential Scholarship. Students that are offered Conditional Admission or have 12+ credits from a university or college are not eligible for the Presidential Scholarship.

INTERNATIONAL GRADUATE SCHOLARSHIP - INTERNATIONAL DEAN'S FELLOWSHIP: Dean's International Scholarship is a 1-credit tuition waiver applied to the first term. The waiver is only applied when no other funding from the university. Students are eligible if they bring an international perspective to face-to-face graduate programs. No application is required.

Plymouth State University is located in Plymouth; a small and safe New England college town nestle in the White Mountains and Lakes Region of New Hampshire just two hours north of Boston where students are finding a new approach to education. With an enrollment of approximately 4,200 undergraduate and 2,100 graduate students, Plymouth is changing how degree programs work. We have taken our 50 majors and integrated them into seven clusters representing the nation's first integrated clusters learning model. Through our integrated clusters approach, you will gain global knowledge and skills needed to enhance our world. You will apply your creativity and practical problem–solving skills to develop and implement solutions to real-world challenges. At Plymouth State, we'll bring out your potential and prepare you for success as a leader in your chosen field and for your life.

Cost Per Academic Year:

Undergraduate:	$24,484	**Room & Meals::**	$11,812

Full-Time Enrollment (Number of Students):

Since 1931, Ringling College of Art and Design has cultivated the creative spirit in students from around the globe. The private, not-for-profit, fully accredited college offers the Bachelor of Fine Arts degree in eleven disciplines and the Bachelor of Arts in two. The College's rigorous curriculum employs the studio model of teaching and immediately engages students through a comprehensive program that is both specific to the major of study and focused on the liberal arts. The Ringling College teaching model ultimately shapes students into highly employable and globally aware artists and designers. Ringling College is a place for the world's most talented emerging artists, designers, and scholars. Here, we know that creative problem solvers and critical thinkers require a unique environment to reach their full potential, which is why we provide our students with an award-winning faculty, world-class facilities, and professional opportunities to learn and grow. Our faculty, comprised of award-winning artists and designers who are passionate about their field, lead our students through the best practices in the industry, prompting them to ask questions, think globally, and take big, yet calculated, risks. Our studios, labs, and classrooms empower students to learn by making and doing, while developing their professional skills using best equipment and most advanced technology in the world. Join our elite group of forward-thinking, socially responsible artists and designers who are exceeding expectations in their industries and taking the world by storm. They are unafraid of risk and undeterred by failure. Join the ranks of our esteemed alumni raking in Emmys, ADDYs, Oscars, and Guggenheim Fellowships, and working at the top creative companies around the globe including Disney, Pixar, DreamWorks, Google, LinkedIn, Lilly Pulitzer, and so many more. Join a community defined by innovation, invention, opportunity, and possibility.

SCAD

The University for Creative Careers

SCAD - Savannah College of Art and Design is the most comprehensive art and design university in the world, offering more than 100 degree programs (with 40 majors and over 75 minors) and more specializations than any other art and design university. 18 out of the 40 majors are STEM designated. In addition to impressive academics, the diverse student body at SCAD is motivated by a faculty of professors with extraordinary academic credentials and valuable professional experience; professors who are often still actively involved in the field they specialize in. SCAD's innovative and ever growing curriculum is enhanced by advanced-professional technology, equipment and learning resources. SCAD is one university — offering degrees in Atlanta and Savannah, Georgia, and online via eLearning, with additional study abroad opportunities in Lacoste, France. Each SCAD location provides a new experience, and students can choose to study in any location, at any quarter during their education. Visit www.scad.edu today!

The University of Maine is a public research university in the Northeast of the United States that offers excellent academic and research opportunities on a safe and welcoming campus.

UMaine, home to more than 11,000 undergraduate, graduate and doctoral students, combines the opportunities of a large institution with the safety and friendliness of a small campus. The University of Maine offers 15 different degrees in Engineering and Engineering Technology, including Mechanical, Chemical and Electrical. UMaine also has an AACSB accredited Business School that offers a variety of business majors and an MBA. As a comprehensive university, UMaine has more than 200 undergraduate and graduate programs, including Computer Science, Biology, Marine Science, Economics, Nursing, Forestry, Climate Science and more. We welcome students from across the world, and prepare them for careers around the globe. Our alumni include best-selling authors like Stephen King, NASA researchers, IT innovators, engineers, filmmakers and more.

UMaine is located in the safest state in the US, and we welcome students from over 75 countries. Approximately 5% of our student population is international. We offer our international students merit scholarships ranging from $5-15,000/year. Our annual tuition is approximately $32,000. All students are considered for scholarship at the time of application.

International Grant - $2,000 (Given to all international students living on campus)
Campus Service - $2,000 (Given to all international students living on a campus - opportunity at earning $2,000 in exchange for a campus service job a few hours a week)

Presidential Scholarship - full tuition (students must have a 1200+ SAT or a 100+ TOEFL, or 7+ IELTS and a 3.75 GPA or higher to qualify; to compete students must submit a writing sample, two letters of recommendation, and interview with faculty member(s) and a current student. Each year around 8 full-tuition scholarships are awarded and several more $22,000 Dr. Baxter Honors Scholarships are awarded).

A variety of other scholarships may be available and determined on an individual basis (Band/Choir, Athletic Scholarships, Catholic HS Grant, Blouin's Global Study/Service Learning Scholarship, etc.)

https://www.walsh.edu/international-student-scholarships.html

Other Helpful Information:

We also offer a 3+2 Pre-Engineering Program in partnership with the University of Dayton which allows students to earn their Bachelor's Degree, and then a Master's Degree in Engineering in only 5 years. In the student's final two years, they go on from Walsh to the Engineering Program at the University of Dayton and get 50% of tuition in the 1st year and 25% off in the 2nd year.

We also offer several new majors this year, including eSports and Gaming Management and Supply Chain Management.

100% of our students complete an internship before they graduate and 94% are in a job in their field or in graduate school within 6 months of graduating. Our class sizes are 13:1, we offer over 100 academic programs, 60+ student clubs and organizations, and host students from 40 states and 35 countries. We are located in North Canton, Ohio, ranked one of the Top 50 cities to live in by USA Today and also one of safest by crime statistics.

We also have a Blouin Scholars Program for students with a 3.0 GPA or higher that encourages student collaboration using scholarship and service to address major issues locally and abroad. Students in this program received a $1,500 annually renewed scholarship, and two fully paid trips (one international and one domestic). https://www.walsh.edu/blouinscholar.html (see more here)

Founded in 1889, Weber State University prides itself on excellent teaching, providing access to educational opportunities, and its active role within the community. Weber State University offers over 225 programs, including 100 majors and 16 graduate programs.

LOCATION

Our students are always posting photos with the caption, “My campus is prettier than yours,” and for good reason. Weber’s mountainside setting in Ogden, Utah, has so much to offer. Whether you’re seeking solitude or craving a challenge, you’ll find four seasons of recreation on the mountains, trails, rivers, and reservoirs that surround this active, outdoorsy city.

Weber State University is located in Ogden, Utah, just north of Salt Lake City. Ogden has four seasons with snow in the winter and sun in the summer. High temperatures can reach 38 degrees Celsius in the summer and low temperatures can reach -12 degrees Celsius. The 2002 winter Olympics were held in Utah and world-class skiing is 15 minutes away. Utah is known for its mountain biking, hiking, and other outdoor activities. Over 60 national and state parks are located just hours away from Ogden.

EXPLORE MAJORS & PROGRAMS

Experience quality and variety. We offer hundreds of academic options including majors, minors, and certificates. So go ahead: Explore. Double-major. Individualize your major. Add a minor or certificate. There are 225+ ways for you to pursue something that’s just right for you. We can also help you make a decision based on your skills, passions, and career goals.

AFFORDABILITY

We’re one of the most affordable universities in the U.S. In fact, our out-of-state tuition is often lower than in-state tuition in other states. Every year, we award over $90 million to nearly 14,000 students — not only making the cost even lower but also making it possible for our students to graduate with little to no debt. Our tuition and fees are just over $16,000 and scholarships are available to those who qualify. For students who prefer to live on campus, Housing is available at reasonable rates.

Cost Per Academic Year:

Undergraduate:	$16,289	**Graduate:**	Depending on the program
ESL:	$16,289	**Room & Meals:**	$8,400
