

# MASSACHUSETTS COLLEGE of PHARMACY and HEALTH SCIENCES

Located in the heart of the world-renowned Longwood Medical and Academic Area, MCPHS University is the oldest university in Boston and features more than 100 degree programs related to the science and healthcare industries. From traditional majors such as pharmacy and premed, to innovative programs such as healthcare management and pharmaceutical business, MCPHS University is your gateway to a career in healthcare. MCPHS students have access to a highly recognized network of prestigious internship and clinical rotation sites which has led our graduates to successful and high-paying careers in the top tier of the US and international healthcare industry. In fact, MCPHS was recently ranked the #1 university in the United States for earning power by The Wall Street Journal/Times Higher Education College Rankings!
