

We are Missouri University of Science and Technology - Missouri S&T for short - and we've been at the top of the research and innovation game for a long time. Founded in 1870 as one of the first technological institutions west of the Mississippi, we've been building on our heritage of discovery, creativity and innovation to equip and inspire today's students to meet tomorrow's great global challenges.

**Cost Per Academic Year:**

<b>Undergraduate:</b>	One academic year for Freshman: \$33,080=\$29,298 (tuition fee) +\$1,712 (student fees) +\$2,070 (Estimated Supplemental Course Fees)	<b>Graduate:</b>	One academic year for graduates: \$28,006=\$23,520 (tuition fee) +\$1,472 (Student Fees) +\$3,014 (Estimated Supplemental Course Fees)
