

OSU is a top-tier land-grant university located in Stillwater, OK. Founded in 1890, the university is home to more than 20,000 undergraduate students including international students from across the globe.

Staff and faculty at OSU are committed to creating an exceptional educational, residential and social experience for all who study here. We offer more than 200 majors to choose from, allowing students to discover and enjoy the subject areas which interest them most.

OSU is recognized around the world for its teaching and research, and its work as a sustainable institution through areas such as outreach, design, research and daily operations. Both the university and the city of Stillwater are known for being friendly and safe. Students from anywhere around the world will be welcomed, enjoy a superb cost of living, and a dynamic college experience.
