

Bard College at **SIMON'S ROCK**

Bard College at Simon's Rock is the only four-year residential college of the liberal arts and sciences exclusively for students ready to enter college after the 10th or 11th grade. We're part of the prestigious Bard network, and we boast an impressive academic rating of 92 (99 is highest) from the Princeton Review.

Students complete an Associate degree in Liberal Arts on the way to a Bachelor's degree in one of 35 different concentrations. Eighty percent of our students go on to graduate school. We have partnerships with Columbia and Dartmouth in engineering, SUNY Upstate Medical School's PhD and MD programs, and Oxford for study abroad.

Our students are curious, bright, mature, independent. They want to be challenged, they want to dig deep, and they want to ask big questions. They want to be treated seriously as learners and want to be with other students who are eager to learn.

Summer Session: Yes

Application Deadlines:

August/September (Fall Term):	Undergraduate:	Feb. 1
