Founded in 1855, MSU is a top global research university that pushes the boundaries of discovery to create a better world while providing students with life-changing opportunities. As the nation's pioneer land grant college, MSU is well known for its wealth of resources and undergraduate research projects. MSU has **37** undergraduate and graduate programs ranked in the top 25 nationally by U.S. News & World Report, including **nine** No. 1-ranked programs.

MSU also offers more than 200 programs of study through 17 degree-granting colleges and education abroad opportunities across all continents — in addition to being a member of the Big Ten Conference, with renowned athletics programs that are celebrated worldwide! Each year, over 600 companies hold more than 15,000 job interviews on campus, with 95% of MSU graduates securing jobs or going on to pursue advanced degrees.

Scholarship Information:

International Tuition Grant
Awarded to a limited number of incoming freshmen with non-U.S. residency status applying from outside the United States. It is based on academic performance, extracurricular activities, essay and geographic diversity. Grant values range from approximately $18,000 to $25,000 annually for eight semesters. Priority consideration will be given to students who apply to MSU by December 1. Students applying after December 1 may also qualify as funds are available. This scholarship is not available to U.S. citizens, permanent residents, or transfer students.

Honors Distinction Scholarship
Awarded to non-resident Honors College invitees who are U.S. citizens or permanent residents or citizens of Canada or Mexico; $5,000 annually; eight semesters.

Honors College Excellence Scholarship
Awarded to a select group of non-Michigan residents and international students who are Honors College invitees. The Excellence Scholarship awards $13,000 annually over eight semesters.

Global Ambassador Grant
Awarded to a limited number of academically talented applicants; $7,000 annually for eight semesters.

Professorial Assistantship
Offered to a select number of international and homeschooled Honors College invitees based on a holistic review of their individual academic records. Domestic students are also eligible for this offer, however their eligibility is based on having a GPA that places them in the top 5% of applicants to MSU from their respective schools. Professorial Assistants receive an annual stipend of approximately $3,500 for working 8-10 hours per week on faculty-mentored research or scholarly activity, renewable for four semesters.* Visit the Honors College website for more information about the Professorial Assistantship program.

Red Cedar Scholarship
Awarded to dependents or grandchildren of MSU alumni; $1,250 annually, renewable for eight semesters.

Presidential Study Abroad Scholarship
Awarded for use with an MSU-sponsored or co-sponsored study abroad program outside of the United States; $3,000 or $5,000, depending upon the length of the program. Award must be used with the first eight semesters of enrollment as an undergraduate at MSU or before completion of the undergraduate degree, whichever occurs first.

Other Helpful Information:

The undergraduate experience is directly impacted by the research being done on campus. That's why Michigan State aims to integrate research into our curriculum whenever possible. Doing so prepares students to become a part of MSU's legacy of innovation. Every year, new cutting-edge solutions originate right here on campus. Some healthcare examples include improving food safety for immunocompromised patients, the use of the drug Cisplatin (known as the "penicillin of cancer drugs") and assisting in providing novel coronavirus testing in at-risk communities.
