PROVIDENCE
COLLEGE

We are a private, Catholic Liberal Arts Institution located in Providence, Rhode Island. At Providence College, international students find a rigorous academic program and a welcoming community that inspires them to achieve their potential. Our professors are deeply engaged in research and scholarship - and so are our students. Here, students have the opportunity to work side-by-side with experts in everything from literature to stem cells. They gain hands-on experience, a deeper understanding of their academic discipline - and sometimes, a byline in an academic journal or a presentation at a professional conference. This gives our students the confidence, expertise, and resume-building credentials that set them apart in a job interview, on a scholarship, or in graduate school.
