Established in 1966, Bellevue College is a top-ranking, fully-accredited college offering two-year associate and four-year bachelor's degrees, as well as professional certificates, intensive English program (ESL), and International High School Completion program. Bellevue College is the largest 2-years college in Washington State and the home of 29,000+ students with about 1,000 international students from over 60 countries each year. Students choose Bellevue College for its desirable location, high-quality education, small classes, dedicated faculty and rich student resources and services.

Bellevue College is recognized nationally and internationally for its academic excellence. Each year, Bellevue College is proud to transfer more students to the University of Washington and Washington State University than any other school in the state of Washington. In addition, our international students have transferred to top universities throughout the U.S. including Cornell, NYU, Georgia Tech, Purdue, Berkeley, UCLA and many others.

Scholarship Information:

Scholarships are awarded annually to current and prospective BC students. Scholarship awards are based on academic merit, financial need, personal history, achievement, or for specific areas of study. All BC Foundation scholarships are to be used at BC only and can be applied to tuition, fees, and in some cases, books. The application for scholarships is available annually from January through March. Scholarships provide funding for the upcoming academic year – Fall, Winter, and Spring quarters. Students can apply for multiple years as long as they meet the eligibility criteria.

Other Helpful Information:

El Camino College is located Torrance, progressive city with a population of 133 on the beautiful Pacific coast of Southern California. Its located between Los Angeles and Orange County. With average temperatures ranging from 10°C to 30°C, Torrance also serves as an important tourist destination, offering year-round cultural and recreational activities and inviting sandy beaches along the shoreline.

El Camino College, founded in 1947, offers over ninety associate degree or certificate programs. Many of El Camino 30,000 students take advantage of transfer agreements to complete bachelor's degrees at some of the finest colleges and universities in the United States. Local universities that welcome El Camino students include UCLA, UC Berkeley, USC, Cal State and many others.

Students at El Camino College are a reflection of the rich diversity of the southern California area. More than forty student-run clubs, including an International Student Club, provide a variety of social and service opportunities. The College has championship teams in men's and women's competitive sports such as football, basketball, tennis, gulf, as well as a beach volleyball, swimming, badminton, martial arts, and many other.

The International Student Program staff is eager to assist students throughout their stay at El Camino College. For students who are not able to achieve a satisfactory English proficiency test score or who want to improve their English language skills, the El Camino Language Academy prepares the ESL student to take and pass TOEFL and transfer to the academic program at El Camino. The program is semester long and is offered three times a year. ECC provides students with a variety of housing options; students may choose from an apartment locator service or homestay.

Scholarship Information:

TMCC offers scholarships to all students and awards range from $200-$1000 per year. To receive scholarships, students must first be admitted to TMCC. The scholarship application deadline is February 1, so students who are admitted prior to the deadline are eligible to apply before arriving on campus. The International Club also offers a $500 scholarship to one international student each year. The more a student is involved on campus, the more likely they are to receive a scholarship.
