

Shasta College, with 70 years of academic excellence, is a comprehensive two-year college accredited by the Western Association of Schools and Colleges (WASC). It is an important part of the California higher education system. The College offers 124 transfer programs, Associate Degrees and Certificates. Shasta College enrolls approximately 12,000 students at its 337-acre Redding campus and four satellite sites or online. The College has strong 2+2 programs with the California State University (CSU) and the University of California (UC) systems and other four-year institutions across the U. S. Our graduates transfer to over 100 four-year institutions each year.

Other Helpful Information:

The cost of attendance for Shasta College is only \$21,167, lower than many other California community colleges due to the low cost-of-living in our area and lower-than-average tuition and fees.

Shasta College provides on-campus housing, a feature that very few community colleges have. Students don't have to worry about transportation or finding a place to live.
